To The Pres., K.G.F. Local Bd a Compositor

As the amount involved is considerable and objection to work in excess of the amount sanctioned by competent authority, I suggest that the Committee may be informed accordingly

14.X.03

Please see the correspondence flagged. There were large sums of money received by the Local Board from the Government for the purpose of the Kolar Gold Fields Water Supply Scheme. The latter has now been completed & the Government have decided to withdraw the grant. The Local Board have now to find funds for the repayment of the loan taken from Government for the purpose of the Water Supply Scheme.

12/10/03

Seen. I have no objection to the proposal as I consider that it will be in the interest of Local Fund
